Registration: G-DONE  
Serial number: 65056

A fantastic opportunity to purchase our beautiful Bell 505 Jet Ranger X, G-DONE.

This has been our UK and Ireland Bell demonstrator since 2018 and has only ever been used for Bell demonstration flights.

It is in as new condition and flies beautifully.

G-DONE was used to launch the 505 in the UK and featured in our Youtube series 'Living with the Bell 505.'
